## IDEALS OF MEMBERSHIP

The enjoyment of golf depends on the co-operation, consideration and courtesy extended to fellow competitors. What is true of the game also applies to club membership. The spirit and image of the Club is projected by the way fellow members show respect, courtesy and consideration for one another. This courtesy and consideration should extend to the choice of dress generally and in the standard of conduct on the course and in the clubhouse.

The standards of a golf club may be judged by the etiquette of the members. Members are asked to give close attention to:

- The rules of golf
- **The etiquette of the game**
- The local rules
- The regulations governing conditions of play.

Your attention to these matters will thereby avoid penalties, promote harmony and make the game pleasant for all.

- It is the responsibility of the proposer and seconder of a new member to see that they are completely assimilated into the Club. New members should be introduced to Club officials, informed of Club Rules, and above all, ensure that they are sufficiently familiar with the rules and etiquette of the game.

## ETIQUETTE ON THE GOLF COURSE

### CONSIDERATION FOR OTHER PLAYERS

In the interest of all, players should play without delay. No player should play until the players in front are out of range. **Players searching for a ball should signal for players behind them to pass as soon as it becomes apparent that the ball will not easily be found; the group should not search for five (5) minutes before doing so.** Players calling a group through should not continue to play until the players following them have passed and are out of range.

When the play of a hole has been completed, players should immediately leave the putting green.

Groups are required to keep their position in the field. If a group falls behind, every member of the group is responsible for regaining their position in the field.

Stops after nine holes should only be taken if time permits.

### PLAYING UP

In all situations, members are not to play up if they are within hitting distance of another player, group or club employee.

All members are advised that the course does not provide for any hole to be a hit up hole during the course of play.

## **CARE OF THE GOLF COURSE**

### **BEHAVIOUR DURING PLAY**

No one should move, talk or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke. Generally, the player who has the honour should be allowed to play before his opponent or fellow competitor.

### **CONSIDERATION FOR GOLF CLUB EMPLOYEES**

The *Ideals of Membership* of showing respect, courtesy and consideration for fellow members also extends to employees of the golf club. Members are required to show courtesy to all employees at all times.

The Yeppoon Golf Club Inc. has adopted safe work practices as required by Workplace Health and Safety Act and Regulations. All policies are in accordance with the Club's duty of care to the safety of all golf participants and employees of the Club.

Course Maintenance—When a flag has been removed by greens staff for maintenance purposes, the green is out of play and golfers are not to hit up until the flag has been replaced and the greens staff are clear of the green and surrounding area. Golfers are required to wait for an approaching vehicle or mower to pass or move out of range before playing their shot.

### **BUNKER MAINTENANCE**

Before leaving a bunker, a player must smooth over all holes and footprints made by him with the rake provided.

### **REPAIR DIVOTS, BALL PITCH MARKS**

Through the green, a player should ensure that any turf cut or displaced is replaced immediately, and covered with sand. Each individual player must carry a sand bucket at all times. Any damage on the putting green made by the ball, ie pitch marks, must be carefully repaired. Golf shoes with metal golf spikes are not to be worn on this course.

### **PRACTICE ON THE COURSE**

No player is permitted to play more than one ball except when permitted under the rules of golf. Practicing on the course, for example, by playing repeated bunker shots or approach shots to the green is specifically prohibited.

## **CLUB RULES WHICH ALL MEMBERS ARE REQUESTED TO OBSERVE**

### **DRESS RULES**

The Club does not wish to lay down stringent dress rules regarding the dress of members and visitors and suggests that good taste will prevail. However, members must be aware that they will be held responsible if they or their visitors do not comply to a neat and tidy standard. Club officials and Golf Shop employees are required to see that the Club's policy is adhered to.

### **DRESS**

Must be smart casual, neat and tidy and applicable to golf. Suitable sports socks are acceptable, but not football type. Shirts must be worn at all times. Motifs, if displayed, must be in good taste. All players must wear appropriate footwear that will not cause damage to greens. Footwear with metal spikes is not allowed. Soft spikes are permitted. Rubber thongs are not permitted.

### **COMPLAINTS**

No member shall directly complain to or reprimand an employee of the Club. Any complaints must be in writing and addressed to the Secretary of the Club.

### **PERSONAL PROPERTY**

The Club is not responsible for the personal injury or loss of property of any member. This specifically includes personal injury or loss within the boundaries of the golf course and in or about the clubhouse.

### **SOCIAL PLAY**

All players (both members and social players) are requested to sign the playing record book on arrival at the Club.

### **PETS ON COURSE**

Members and visitors are not allowed to bring pets onto the course when playing golf either socially or in competition. Failure to comply with this rule will result in a warning and possible disciplinary action by the Committee if further breaches of the rules occur.

### **MOTORISED GOLF CARTS**

The hire and use of Yeppoon Golf Club Inc. motorised carts is governed by the Conditions of Hire described in the Hire Agreement signed by the Hirer.

The person signing this agreement is responsible for compliance with the Conditions of Hire. Hire carts and private motorised carts are for use by the members and visitors either socially or in competition. When using a motorised cart the Committee requires the following general rules be adhered to:

- Maximum of 2 people per cart at all times. This means no one standing on the front, rear or side of the cart.
- Motorised carts must be kept away from greens, green surrounds [**six (6) metres**] and teeing areas and should not be driven off fairways into thick rough.
- **Persons driving motorised carts must be licensed to drive a car.**
- Hirers of carts will be held responsible for the cost of repairs to carts resulting from irresponsible operation.

Any member or visitor witnessed breaking these rules will face disciplinary action by the Committee with the possible revoking of privilege to use a motorised cart.

**Motorised carts must not be parked on the roadway in front of the clubhouse at any time.**
