Monthly Match Update – July 2017

Local Rules Updated

The following new Local Rule was approved at the last Golf Committee Meeting and is in effect from 1 July.

Players are entitled to relief WITHOUT penalty if the line of their next shot needs to be played across a sprinkler head, or any other irrigation related equipment, that is located within 2 club lengths of the green AND their ball is within 1 club length of that irrigation equipment. Players that choose to take relief can take a drop at the nearest point not closer to the hole where their next shot will no longer be impeded by the irrigation equipment.
