MEMBERSHIP INFORMATION ON FEES

Adult Membership

Applications for Membership must be accompanied with a minimum fee of \$60. This covers the affiliation fees component of the annual fees which all golfers pay to be part of the governing bodies for golf in Australia.

Applications are taken to committee for approval and the proposed New Members, when notified of acceptance, will be allocated a Golf Link Number and Pin number. This will be accompanied with a Tax Invoice for the balance of fees due, depending upon the level of membership sought.

Tax Invoices will also reflect the time at which a new membership is granted and will be pro-rata depending on the date of acceptance by the committee.

Successful applicants will be required to complete arrangements for the payment of their annual fees within two (2) weeks of notification of approval.

The Yeppoon Golf Link Membership Cards are ordered from Brisbane and sometimes may take a few weeks. A temporary card may be utilized until the new card arrives but your details are in the system and you have access to the course and facilities.

New members may choose to meet their annual fees by either:
